PRIORITY OF ACCESS POLICY

Rose Park Pre-School is a centre with limited space in both the indoor and outdoor learning area. At times of high enrolments we are unable to place all the children whose parents wish them to attend. At these times we will enrol children in order of the following priority:

1. Children who live in the local area bordered by Greenhill, Fullarton & Portrush Roads; Kensington Rd., to George St. north along George St. to William St., west along William St. to Dequetteville Tce.
   (Rose Park Primary School zone)

2. Children whose caregivers live in the area and children who attend Adelaide Eastern Community Childcare Centre full time and do not live in our local area. These children are unable to attend their local pre-school due to their parents work commitments.
   NB Children who attend AECCC part time (minimum of 2 days) may have attendance negotiated at the discretion of the director

3. Children whose older siblings attended the centre.

Under no circumstances, will a child who is already attending at this centre; be asked to give up their position for someone who fits into a higher priority. Only new enrolments will need to adhere to this policy in case of limited spaces.

Ratified at Governing Council Meeting 03.08.2010
